

APWA FLORIDA CHAPTER  
STANDARD PRACTICE  
Committee Appointments

The Chapter President appoints the Chairs of all committees. These Chairs serve at the pleasure of the President and may be changed at any time by the President. Committee Chair terms automatically expire with the President's term.

Chapter members express their interest to serve on Committees to the President Elect. This may be done informally or with a formal request of interest. As one of their first duties, the President appoints the Chairs for each committee. The President may establish new committees and disband existing committees. Committee Chairs appoint/recruit the members of their committee based on the needs of the committee.

Nothing in this procedure is intended to supersede the Chapter by-laws. Some committees are established and/or populated by the by-laws rather than as described herein.

**Applicability:** This document has been approved by the Chapter Executive Committee. It is intended to express the current practice of the Chapter. The procedure described herein may be changed at any time by a vote of the Executive Committee.
