

2024 SCHOLARSHIP PROGRAM

The Florida Chapter of the American Public Works Association (APWA) is designed to assist those individuals who are pursuing a career in the public works field. Encompassing disciplines from engineering, public administration, or continuing education for career enhancement of public agency employees is the philosophy of the Association. This assistance in education promotes and ensures a continuation of the high level of skill, talent, and professionalism that is the pride of every member.

For more than one hundred years, The APWA, and its Chapters traditionally strive for the advancements and continued development of all the various components that make up the public works family. It is incumbent upon the membership of the Florida Chapter to lend a helping hand to those who have chosen the public works field as their career. The Scholarship Program is an integral part of achieving this goal.

In addition to traditional college or university scholarships, the Florida Chapter APWA will be awarding scholarships to individuals that are enrolled or have recently attended the Florida Public Works Institute or a Public Works Academy program. The Florida Public Works Institute is training for public works employees who are looking to enhance their skills and advance their careers by developing an emphasis in real-world situations.

SCHOLARSHIP CATEGORIES

The Florida Chapter Scholarship Program includes five (5) categories for which scholarships are awarded:

1. **CAREER DEVELOPMENT PROGRAM:** Awarded to a full or part-time employee of public works agency who is currently registered for or recently attended formal training to enhance their professional development for public works employment or advancement opportunities. Examples of training include (but not limited to): heavy equipment certification; APWA Emerging Leaders Academy; Florida Water and Pollution Control Operators Association courses; CDL; and entry level college courses that pertain to the Public Works field. Up to \$500 Award.
2. **PUBLIC WORKS ACADEMY PROGRAM:** Awarded to an individual who is currently enrolled or has recently attended a Public Works Academy program to enhance their personal and professional development for public works employment opportunities or advancement. Up to \$500 Award.
3. **PUBLIC WORKS INSTITUTE PROGRAM:** Awarded to an individual who is currently enrolled or has recently attended the Florida Public Works Institute program to enhance their personal and professional development for public works employment opportunities or advancement. Up to \$500 Award.
4. **UNDERGRADUATE PROGRAM:** Awarded to a college student who is currently enrolled and has earned at least 60 credit hours through enrollment at an accredited college or university, seeking a Bachelor Degree in a government related or public works related field. Up to \$1,000 Award.
5. **GRADUATE PROGRAM:** Awarded to a person who is currently enrolled and pursuing an advanced degree in Public Works Engineering, Public Administration or other public works related field at an accredited college or university. Up to \$1,000 Award.

APPLICANT ELIGIBILITY

- Award amounts are determined each year by the Florida Chapter Executive Committee.
- Undergraduate and Graduate Program funds shall be used to tuition and fees at an accredited private college, state university or college.
