Beatriz Alvarez
E.I., LEED AP BD+C, PMP
Director

Jay Fink
P.E.
District Representative

Alfredo Quintero Jr.
E.I., CFM, CGC, CCC, ISA-CA
Director
Past Branch Chair

Our latest Chapter quarterly luncheon meeting was hosted by the City of Lauderhill at the Lauderhill Performing Arts Center on March 26, 2026, and had an attendance of 122 members and guests. Mayor Denise Grant welcomed the attendees. Our sponsor was MBR Construction. Michael Boss, President, presented the company's "Gets stuff done" approach to delivery as well as examples of their governmental projects.

The meeting program also included the introduction of the officers including two new directors, Stacy Sookdew-Sing and Hayley Emmanuel. Three (3) \$1000 scholarships were given out. The Branch annual awards were also presented for Professional Managers, Consultant, and Projects. A Special Award was given to Mr. Sam May for his lifetime achievement and commitment to the Branch.

The next quarterly luncheon meeting will be hosted by the City of Hialeah Gardens with a date and location to be announced. As always, a charge of \$5 per person will be collected at the door. All are welcome.

Attendees were also reminded of the APWA Florida Chapter Expo in Tampa as well as the National APWA PWX in Houston coming up. The golf tournament will be held in October and sponsors are currently signing up.

Respectfully submitted,

Jay J. Fink, PE
District XI Representative
