The West Coast Branch held its annual family baseball outing on June 27, 2026, at BayCare Ballpark, home of the Clearwater Threshers. The event wasn't as well attended as years past with 25 members in attendance. But thanks to our sponsors the event was still profitable for the branch. With a profit of \$1,098. The branch is exploring bringing the baseball outing back to Tropicana Field for a Rays game next year.

Mike Weaver

*City of St. Pete Beach

The branch is planning our holiday event. Exploring continuing with Top Golf or going to Dave and Busters or Splitsville in Tampa.
